Take the exit sign-posted Abercynon B4275 which is after Pontypridd, about 10 mins from M4.

At the mini roundabout take the first exit, sign-posted Navigation Park.

Enterprise House is the first building on the right, take the second exit right off the road to enter the car park.

Please use VISITOR spaces only; do not park in a numbered space. If there are no visitor spaces there is usually room on the road leading up to our building.

By train

When alighting from the train at either Abercynon South or North you will see either a bridge or a tunnel to take you to the 'south' of the train track.

There is a lane, footpath to follow which will take you over the river.

Once over the river you will find yourself on a road with cottages and the directions appear to take you to a dead end.

In the corner of the culdesac you will see a footpath through to Navigation Park.

Follow the road as shown above.
